

## SOULFUL VIETNAM EXPERIENCE: ZANNIER BÃI SAN HÔ

### BID NOW

On a secluded private peninsula in the untouched province of Phu Yen, Zannier Bãi San Hô is a sanctuary of refined simplicity, stretching across 98 hectares of lush greenery and a pristine coral bay. Its mile-long white sand beach, shimmering under some of Vietnam's most breathtaking sunrises, sets the tone for a journey of restoration and discovery.

This retreat, six (6) days and five (5) nights for up to four (4) guests, promises a harmonious balance of relaxation, cultural immersion, and wellness. You will stay in a spacious two-bedroom Hill Pool Villa, offering 91 sqm (980 sq ft) of understated luxury with sweeping views over the bay and all-inclusive benefits.

Your culinary journey reveals the essence of Vietnamese gastronomy: Bà Hai immerses you in the soulful recipes of Grandma Hai-style regional cooking; Làng Chài, with its rustic thatched huts by the beach, serves the day's catch; while Nhà Ở offers panoramic views and a mix of Southeast Asian and international flavors.

At the heart of your experience is the Zannier Wellness Programme, a five-day immersion at the resort's tranquil Hoa Sen Spa starting and ending with a personalized wellness consultation. Inspired by the five elements—Air, Fire, Water, Earth, and Spirit—each day follows a curated rhythm of movement, nourishment, and holistic healing. Sunrise yoga, restorative mat Pilates, and meditative nature walks awaken body and mind, while herbal baths, vibrational sound healing, and Vietnamese tea ceremonies ground you in ancient traditions. Guided Thung Chai boat adventures, rice planting rituals, a visit with a Vietnamese holistic health alchemist, and lifestyle tours invite you to connect with Vietnam's cultural heritage.

Boundless opportunities await—from cycling to the surrounding village, kayaking along the lagoon, to family-friendly activities such as pétanque, water sports, tennis, and beach volleyball. Or simply sink into the laid-back charm of Bãi San Hô's private beach and infinity pool.

This journey is more than a retreat—it is an awakening of the senses, where Vietnam's cultural richness meets Zannier Hotels' art of slow living.
