The Zanzibar Collection is a privately owned group of beautiful luxury hotels and resorts located on Bwejuu-Paje Beach, one of *Condé Nast Traveler's* Top 30 Island Beaches in the World. Baraza Resort and Spa itself has also been included in Condé Nast's Top 25 Luxury Hotels in Africa and is currently their choice for the No. 1 Luxury Hotel in Zanzibar and Tanzania. This magnificent resort captures the essence of Zanzibar's heritage, harking back to the era of the Omani Sultans and blending Arabic, Swahili, and Indian design.

Experience first-class accommodation—eight (8) nights for eight (8) VIP guests—across our Oceanfront Royal Beach Villa and two Oceanfront Villas. Enjoy a premium culinary experience with delicious breakfasts, lunches, dinners, and afternoon high tea each day. Savor a selection of alcoholic and non-alcoholic beverages, including a daily pre-dinner cocktail.

At our gorgeous spa, indulge in a 120-minute “His & Hers” couples treatment session and a complimentary 75-minute signature massage treatment for each guest, with further discounts on additional treatments. Also enjoy a private bush dinner with a bonfire for the whole party, as well as a romantic beach lunch for all eight of you, or one for each couple.

For local culture, visit Zanzibar's spice farms and take a “Swahili Day” trip to the village of Bwejuu, where the resort has undertaken many corporate social responsibility projects. Then work with Zanzibar's famed spices firsthand over a cooking lesson with Baraza's Chef. Explore Stone Town to immerse yourself in the rich history and vibrant culture of the island, with a stop at Mercury House, the childhood home of Freddie Mercury.

Experience firsthand Zanzibar's stunning beaches with complimentary discovery dives and a full diving session at one of the resort's private diving venues in the Indian Ocean. You will also receive a special discount on diving at award-winning The Rising Sun Dive Center.
