**BID NOW**

Have you ever wondered what sets a Huntsman suit apart from any other in the world? An address synonymous with the highest level of quality and craftsmanship, Huntsman has been creating the world's finest handcrafted clothes for over 175 years, a legacy of excellence unrivalled on Savile Row. This extraordinary, fully immersive experience offers the rare opportunity to take part in the making of your very own bespoke garment, a piece to cherish for a lifetime.

Your journey begins with a private appointment in the comfort of the Huntsman Clubroom at 11 Savile Row. Here, you will meet the team, explore our library of rare and luxurious cloths, and select the fabric that will bring your vision to life. Your measurements will be taken, marking the beginning of an unforgettable experience in the art of bespoke tailoring.

Working alongside Huntsman's Head Cutter in our iconic Cutting Theatre, you will help draft and cut your own bespoke pattern, witnessing first-hand the precision and artistry that define Savile Row craftsmanship. These traditional practices, perfected over more than a century, offer a rare glimpse into the living history of tailoring at its finest.

You will then join Campbell Carey for lunch at a distinguished Mayfair establishment, following a time-honoured tradition amongst Head Cutters, before returning to Huntsman to strike and cut your chosen cloth. Here, you will practise your 'rock-of-eye', the intuitive skill mastered by tailors and celebrated in bespoke lore, as you shape the beginnings of your own sartorial legacy.

Once complete, your garment will be entrusted to our team of expert tailors, who will devote over 80 hours of meticulous handwork, with as many as 15 pairs of skilled hands contributing to its creation, among them, your own! The day concludes with a well-earned champagne tasting in the Clubroom, hosted by our partners at Billecart-Salmon, a fitting toast to your journey at the heart of Savile Row craftsmanship.

Your finished suit will be more than a wardrobe addition; it will represent your part in Huntsman's enduring story of excellence, a garment destined to last a lifetime.
