During your time in Milan, you'll enjoy the ultimate in relaxation and rejuvenation with a luxurious beauty and wellness treatment at The Longevity Suite Spa, located in the charming Portrait Hotel.

You will also receive a Couture evening gown handcrafted in the Roberto Cavalli atelier and inspired by the landscapes and colors of Africa. Designed in a fitted column silhouette with an internal corset, it features a deep center-front neckline and a bare back. The dress fastens around the neck with braided and embroidered lanyards, creating an elegant, refined finish. Its exquisite embroidery, crafted from crystals and micro-materials, evokes organic motifs that flow across the silhouette, producing a sensual interplay of transparency, light, and shadow. A masterpiece of craftsmanship, this gown exemplifies the daring, sophisticated, and nature-inspired aesthetic that defines Roberto Cavalli Couture.
