

DENZA X CHOPARD TAILOR-MADE Z9GT

BID NOW

Generously donated for auction by DENZA in collaboration with Chopard, the DENZA Chopard tailor-made Z9GT is a unique creation conceived in support of the 32nd edition of amfAR Gala Cannes.

Inside, Chopard's signature codes subtly reshape the cabin ambiance. Interior trims are garnished with amethyst stones set within the cockpit controls. The tailor-made Z9GT features a bespoke upholstery treatment, with the Chopard 'C' embroidered into the headrests, and the Chopard logo is also subtly integrated into the wireless smartphone-charging pad.

To complement the vehicle, Chopard contributes two exceptional timepieces designed as a "His & Hers" pairing, echoing the harmony, balance, and duality of the Z9GT itself. The Happy Sport 36 mm in Ethical rose gold meets the Alpine Eagle 41 mm in Ethical rose gold.

The experience extends beyond the automobile through a suite of exclusive bespoke luggage handcrafted by Shiro, created specifically to accompany the Z9GT.

The DENZA Chopard tailor-made Z9GT blends these fashion influences with the core innovations that already make the car a standout offering: three electric motors for extraordinary stability and agility, more than 1150 horsepower and, through support for FLASH Charging, the ability to fully recharge the battery in just nine minutes. It is a truly striking example of Technology Drives Elegance.

This Denza Z9GT has obtained official European compliance certifications and fully complies with EU automotive regulatory standards and relevant requirements. Following its custom exterior and interior modifications, final registration requirements may vary by country, and UK registration may require additional local certification due to LHD/RHD configuration requirements. BYD will assist the buyer with the applicable certification and registration process. Shipping costs, storage fees, and all applicable taxes are the responsibility of the successful bidder. amfAR will accept [cryptocurrency](#) for the hammer price of all auction lots; please see [auction terms and conditions](#).
